

Review Form 3

Journal Name:	Asian Research Journal of Agriculture
Manuscript Number:	Ms_ARJA_128527
Title of the Manuscript:	Advancing India's Agroforestry Potential: Technology and Participatory Approaches for Carbon Finance Benefits
Type of the Article	

General guidelines for the Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guidelines for the Peer Review process, reviewers are requested to visit this link:

Review Form 3

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The article is important due to both remote sensing & carbon finance- emerging pathways. There are doubts on monitoring, review & verificatuon (MRV) where this can help.	
Is the title of the article suitable? (If not please suggest an alternative title)	Not suitable, please change "advanced technologies" to "remote sensing" and drop "partipatory approch" from the title as the later is not discussed. The advanced technologies like soil moisture sensor etcmxare not used so better to indicate topic you covered.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes but 2 points may be added- 1) need for robus MRV system, Curran t practices, their shortcomings & how your solution can resolve it 2) soil carbon monitoring using remote sensing- current practices, your solution, it's benefits.	
Is the manuscript scientifically, correct? Please write here.	Yes, it's corrcrct dcientifically	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	NA.	
Is the language/English quality of the article suitable for scholarly communications?	Yes.	
<u>Optional/General</u> comments		

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
