

Editor's Comment:

I checked the manuscript. There are a few corrections before publishing. After these arrangements, I accepted the manuscript for publication.

*First justify all the text, please.

*Correct the writing style in lines 21-22(the sentence which is red) in the introduction section.

*Add the aim of the study to the end of the introduction section. For example, The aim of our study is.....

*Give details about your study area. The location, climate, etc.
