<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.</b>	The manuscript is important to scientific community as it highlights what should be done to improve the management of legume pod borer in cowpea. The scientific community stands to benefit from this paper it is a worthy addition to the body of knowledge. I like this manuscript because as a researcher who has done some work on cowpea I have found that diseases and pests lower production, I find the manuscript to be a source of literature that can be cited.
