

Review Form 3

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_JPRI_128280
Title of the Manuscript:	Phytochemical studies, in vitro antioxidant and antiproliferative activities of <i>Aucoumea klaineana</i> , <i>Macaranga monandra</i> and <i>Uvaria klainei</i> aqueous and methanolic extracts from Gabon.
Type of the Article	Original Research Article

PART 1: Comments

	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This manuscript is used to know about the Phytochemical studies, <i>in vitro</i> antioxidant and antiproliferative activities of <i>Aucoumea klaineana</i> , <i>Macaranga monandra</i> and <i>Uvaria klainei</i> aqueous and methanol extracts from Gabon. The antiproliferative activity and selective cytotoxicity of <i>M. monandra</i> towards HeLa cell have to be extendedly explored and could lead to the isolation of anti-cancerous agents.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes the title of the article is suitable	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	In abstract in Results part in second line the in correct word TPC & TFC is present. It must be changed to correct word TFC & TPC	
Is the manuscript scientifically, correct? Please write here.	Yes, The manuscript is scientifically correct.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes, the references sufficient and recent.	
Is the language/English quality of the article suitable for scholarly communications?	Yes the language/English quality of the article suitable for scholarly communications.	
<u>Optional/General</u> comments	Spelling mistake is present in the result and discussion part. In reducing power assay in the third line in correct word respectively is present but the correct word is respectively. In the fourth line the incorrect word remaining is present but the correct word is remaining.	

Review Form 3

PART 2:

	<u>Reviewer's comment</u>	<u>Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</u>
<u>Are there ethical issues in this manuscript?</u>	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
