### Review Form 3

#### PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	It gives an information on how to make mayonnaise available in an healthy form using the plat available in the community It further elaborate the other uses of pumpkin seed apart from being consumed as a vegetable	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is not comprehensive enough. I have make some suggestions on the abstract. The authors can check the abstract for the correction made. For instance, the methodology was not concise enough	
Is the manuscript scientifically, correct? Please write here.	Yes to a large extent	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes, the authors referenced very recent journals which is commendable	
Is the language/English quality of the article suitable for scholarly communications?	The English is not really scholarly suitable. Suggestions and corrections have been made where necessary in the manuscript	
Optional/General comments	I suggest that the article can be a short communication instead of a full length paper. The tables can also be split into two, the tables for colour and nutrient composition of the Low Fat Mayonnaise separately.
