EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>1. The title is not modified in the revised content</p> <p>2. It may be entitled as : "Genetic variability and genetic advance studies for bulb yield and its components of different mutant lines of Garlic (<i>Allium sativum</i> L.)</p> <p>3. The results are not elaborately written which is must for publication.</p> <p>4. For each and every character the authors studied, should quote relevant references in the Results and discussion part.</p> <p>5. As variability and GA are only a little part of the study in crop improvement, the present article may be published as short communication or as a research note instead of full length Research article</p> <p>6. Publication is suggested after writing the results and discussion elaborately</p> <p>7. Recent literatures upto 2024 must be quoted.</p>	<p>Correction done</p> <p>Correction done</p> <p>More elaboration done with reference</p> <p>Want to publish as research article</p> <p>Discussed elaboratelyh</p> <p>Not much found</p>
