

Review Form 3

Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Ms_JSRR_129365
Title of the Manuscript:	Impact of foliar supplementation of nitrogenous fertilizer on yield attributes and yield of wheat (<i>Triticum aestivum</i> L.)
Type of the Article	

PART 1: Comments

	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This article highlights the nitrogen use efficiency by using different nitrogen fertilizers while improving the yield and yield attributes of wheat crop.	
Is the title of the article suitable? (If not please suggest an alternative title)	Enhancement of nitrogen use efficiency using nano urea in Wheat (<i>Triticum aestivum</i> L.)	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Abstract: write a conclusion statement of which fertilizer performed better among all.	
Is the manuscript scientifically, correct? Please write here.	Yes	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.		
Is the language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments	Introduction: <ol style="list-style-type: none"> In the introduction, it is suggested to replace the Nano Urea either with 'nano-urea' or 'nano urea'. In the introduction, it is suggested that nano urea word has been written many times, just 'it' is recommended instead of nano urea references can be added in the introduction part Materials and methods: In materials and methods part, the highlighted content is not needed as it is known by everyone. <ol style="list-style-type: none"> Suggested corrections are to be carried out before publication: <i>et al</i> should be in italics in the entire manuscript 	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
