Review Form 3

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Despite the presence of a lot of studies regarding this subject, its beneficial to increase the knowledge and make a comparison between the previous studies to approve or disprove the null hypothesis	
Is the title of the article suitable? (If not please suggest an alternative title)	Need minor change	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	
Is the manuscript scientifically, correct? Please write here.	Yes, but the introduction is too short and not enough	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes	
Is the language/English quality of the article suitable for scholarly communications?	Yes, with minor changes	
<u>Optional/General</u> comments	This manuscript is good but I think it introduction is too short and not lightening the importance and relationship between nasal breathing and both the palatal width and maxillary sinus size	

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
