

Review Form 3

Journal Name:	Asian Journal of Language, Literature and Culture Studies
Manuscript Number:	Ms_AJL2C_128563
Title of the Manuscript:	The Instrumentality of Classroom Exercises in the Teaching and Learning of Spoken English in Universities in Nigeria
Type of the Article	Academic research paper that contributes to the field of applied linguistics and language education.

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	1.This manuscript offers valuable insights into the teaching and acquisition of spoken English. 2. It highlights the challenges faced by learners and discusses the practical strategies for improving English proficiency. 3. The presentation of the unique qualities of Nigerian English helps readers understand language learning and teaching methodologies that are applicable to diverse cultural settings.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes. An alternative title suggestion is "Enhancing Spoken English Proficiency: The Role of Classroom Activities in Nigerian Universities."	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes. Points to be added: 1. Specific findings like how classroom activities can improve spoken English proficiency 2. Methodology used to analyse the types of classroom activities and the selection criteria. 3. Highlight the practical implications that could help educators and curriculum developers enhance spoken English teaching strategies.	
Is the manuscript scientifically, correct? Please write here.	Yes.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes. In addition, few references on "Recent studies on ESL teaching, Current linguistic research, and Educational frameworks" can be made. Long quotes have to be avoided (P.2, 14)	
Is the language/English quality of the article suitable for scholarly communications?	Yes. However, to ensure clarity, it is essential to avoid writing complex sentence structures that are present in some parts of the article.	
Optional/General comments	This paper holds significance as it focusses on the need for teaching phonetics and phonology to improve language learning and understanding.	

Review Form 3
