

### Review Form 3

Journal Name:	<a href="#">South Asian Journal of Social Studies and Economics</a>
Manuscript Number:	Ms_SAJSSSE_128825
Title of the Manuscript:	ENHANCING ENERGY SECURITY IN NIGERIA: AN ANALYSIS OF INTERNATIONAL EFFORTS (2015-2024)
Type of the Article	

#### **PART 1:** Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The paper aim to enhance energy security in Nigeria by examining the international efforts and attempts to improve energy security in Nigeria between 2015 to 2024. Energy is major issue in Nigeria and this paper contributed a great deal in understudying international efforts geared towards assisting Nigeria solving her epileptic power	
Is the title of the article suitable? (If not please suggest an alternative title)	The title is suitable	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The authors did a great job with the abstract. Although, they need to include a summary of the key findings, draw a conclusion and make a recommendation.	
Is the manuscript scientifically, correct? Please write here.	It is scientifically correct. However, the introduction should include citations to present an introduction to the topic.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The literature review and other sections of the manuscript with citations need to upgrade the citations to accommodate recent years. The paper is examining between 2015 to 2024 but the citations are mainly from 2017 to 2019.	
Is the language/English quality of the article suitable for scholarly communications?	The language/English quality is sufficient although minor typo like "Nigeria, with an estimated population of about 234 million <u>in as</u> at 2024 (Worldometer, 2024)" should be edited.	
<u>Optional/General</u> comments	<b>The topic and manuscript is a great read and will contribute to the existing body of knowledge in one of the most threatening aspect of Nigeria – energy/electricity</b>
