

Review Form 3

Journal Name:	Asian Journal of Food Research and Nutrition
Manuscript Number:	Ms_AJFRN_127979
Title of the Manuscript:	Maternal Employment and Nutritional Status of Children Aged Between 6 to 59 Months
Type of the Article	Original Research Article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Maternal employment can have either positive or negative impact on the nutritional status of a child. Therefore carrying out a study on the same is important to have evidence based information.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title lacks the aspect of area of study. A reader might think is a review article. Consider including area of study.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Consider stating that it was mother/parent/caretaker-child pair since a child of 6-59 months cannot respond to questions including employment status of the mother.	
Is the manuscript scientifically, correct? Please write here.	Yes. The work is well written and scientifically correct.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references are okay	
Is the language/English quality of the article suitable for scholarly communications?	Yes, the language is well done.	
Optional/General comments	Consider writing abbreviations in full when first used in the write-up. Consider working with a mother-child pair as the study sample. Consider capturing ethical issues. Include ethical clearance permit number.	

Review Form 3
