

Review Form 3

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_129781
Title of the Manuscript:	Various pre-sowing seed priming agents effect on Chickpea germination and vigour
Type of the Article	

General guidelines for the Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guidelines for the Peer Review process, reviewers are requested to visit this link:

Important Policies Regarding Peer Review

Peer review Comments Approval Policy: <https://r1.reviewerhub.org/peer-review-comments-approval-policy/>

Benefits for Reviewers: <https://r1.reviewerhub.org/benefits-for-reviewers>

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	It is very important for better and uniform germination	
Is the title of the article suitable? (If not please suggest an alternative title)	If you have used more than one varieties than title may change " Effect of seed priming on different genotypes of chickpea" (Material and Method mention more than one varieties)	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Note write treatment symbols like T ₁ , T ₂ etc in Abstract, need to be improve in abstract section	
Is the manuscript scientifically, correct? Please write here.	<ul style="list-style-type: none"> • Write reference as per format fixed by General • Alphabet arrangement should be required • et al., write in italic format • some reference are missing in back side • Material method: Write number of replications, statistical analysis tools, process to findout vigour index etc. • Above Table 1 Paragraph remove The research study was carried out.....sciences Prayagraj... no need to repeat same as it mention in Material and Method • Used two digit to write CD and Sem value • Used proper statistical ANOVA format in Table 1 and Table 2 	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.		

Review Form 3

Is the language/English quality of the article suitable for scholarly communications?		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
