Peer review Comments Approval Policy: <https://r1-reviewerhub.org/peer-review-comments-approval-policy/>

Benefits for Reviewers: <https://r1-reviewerhub.org/benefits-for-reviewers>

### Review Form 3

#### PART 1: Comments

|  | Reviewer's comment   | Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|--|--|
| Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part. | Mechanization is the very important factor directly influencing food production in the modern world. Idea on level of mechanization achievement and its requirement is essential for undertaking research and enrich technology into the agriculture.  |  |
| Is the title of the article suitable? (If not please suggest an alternative title)   | Suggested alternative title: 'Mechanization levels of selected crops in the Gezira scheme, Sudan'  |  |
| Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.      | Can be more brief and specific about the study   |  |
| Is the manuscript scientifically, correct? Please write here.  | Yes  |  |
| Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.                              | Some of the references are more than 15 years old and requires attention.  |  |
| Is the language/English quality of the article suitable for scholarly communications?  | Language must be improved for better English   |  |
| <u>Optional/General</u> comments   | Conclusion is similar to abstract and must be rewritten to conclude the study and not the results.<br>Representation of units must be taken care for the formatting.<br>Data on sample and population like respondents count, proportion must be provided in methodology<br>Reference for 7 main crops selected must be given.<br>Introduction about Gezira scheme is missing. |  |

#### PART 2:

|  | Reviewer's comment   | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|--|---|
| Are there ethical issues in this manuscript? | <i>(If yes, Kindly please write down the ethical issues here in details)</i> |   |
