

Review Form 3

Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Ms_JSRR_128978
Title of the Manuscript:	Testing Women-Friendly Technology: Effect of an Improved Ring Cutter on Drudgery Reduction in Brinjal Harvesting
Type of the Article	Research Article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Yes, it is an important one since it deals with one of the hidden aspects of the farming sector especially concerning farm women	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, it is suitable	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, it is comprehensive	
Is the manuscript scientifically, correct? Please write here.	Well, there are issues that needs to be answered in this aspect as follows: Under ' Materials and Methods ' section <ul style="list-style-type: none"> Why 30 farm women were selected from one village "Kaveliguda" of one Mandal 'Shamshabad' only? Why not other two-three villages of same or other Mandals? As the authors had stated that the reason as 'due to its extensive cultivation of brinjal over large acres', then provide proofs in form of citations and references showcasing that brinjal cultivation is predominant in the concerned village of concerned Mandal of the concerned district? Explain or mention how grip strength was measured along with standardized units for the values in table 2 Under ' Results and Discussion ' section, make sure to write 'per cent' instead of '%' while writing as text outside the brackets like (), [] or {}. Also define the units of grip strength in the table	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes, they are all sufficient
