

### Review Form 3

Journal Name:	<a href="#">Journal of Experimental Agriculture International</a>
Manuscript Number:	Ms_JEAI_129881
Title of the Manuscript:	Evaluation of Protein Content of Fall Armyworm ( <i>Spodoptera frugiperda</i> ) on Maize and Cotton Crops in Telangana, India
Type of the Article	Original Research Article

#### PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Study is very crucial as this pest is emerged as major threat to the maize crops in India. But it could be more sound if author studied some parameters also like – effect on morphology, life cycle or other parameters.	
Is the title of the article suitable? (If not please suggest an alternative title)	Its appropriate.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Abstract is according to study.	
Is the manuscript scientifically, correct? Please write here.	It seems some parameters are missing. It includes only one variety and insects collected from field condition and directly used for protein analysis; other factors may influence the study like- weather crop was treated or not? Which instar was collected? Insect should be reared in laboratory for 1 – 2 generations after collecting from the field	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Checked and find all are correct.	
Is the language/English quality of the article suitable for scholarly communications?	Correct.	
<u>Optional/General</u> comments	Consider as short communication.	

#### PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
