

Review Form 3

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_129906
Title of the Manuscript:	Impact of different nano-fertilizers on agronomic traits of wheat under Jammu subtropics
Type of the Article	Original Research Article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please corrects the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	As wheat is one of the major rabi cereal crop in india, research on nutrient management strategies to increase the productivity of wheat is very important for food security. The manuscript is scientifically sound and relevant to the current cultivation scenario Therefore Impact of different nano-fertilizers on agronomic traits of wheat under Jammu subtropics is a relevant experiment for scientific community	
Is the title of the article suitable? (If not please suggest an alternative title)	NO, Effect of Conventional and Nano-NPK fertilizers on growth attributes and yield of wheat in Jammu subtropics	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is well written but the relevance of the study at the start and a conclusion at the end should be provided for a proper abstract And I also mentioned some comments need to attend	
Is the manuscript scientifically, correct? Please write here.	Yes , it is scientifically correct	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes, the references are correct	
Is the language/English quality of the article suitable for scholarly communications?	Yes, Good	
<u>Optional/General</u> comments	The research article is well written with the latest references cited. Minor corrections required are mentioned as comments in the manuscript, Please mention the dosage of the foliar spray with also statistical analysis's wityh logical; conclusion need to attend	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
