Review Form 3

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This article is important for the fields in relation. But, many questions must be answered by the authors. The down mentioned notes must be considered strictly.	
Is the title of the article suitable? (If not please suggest an alternative title)	No. The title is not suitable and does not reflect the real content of the article. I suggest the following title: Histopathological Effect of Aqua Fix supplementation on the skeletal muscle and liver of <i>Labeo rohita</i> during immunomodulation and aeromoniasis.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes.	
Is the manuscript scientifically, correct? Please write here.		
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	I think more some references must be replaced with another recent. Some references belong to the year 1800!!!!	
Is the language/English quality of the article suitable for scholarly communications?	Yes.	
Optional/General comments	<p>The following notes must be taken into mind by the authors and corrections must be made:</p> <ol style="list-style-type: none"> 1- Why the authors did not mention "Aqua Fix" in the title? 2- What is Aqua Fix? The authors did not mention or explain to the readers what is aqua fix, what are the components or ingredients of aqua fix. They only mentioned that aqua fix is a food complement!!! 3- Ingredients of Aqua Fix must be written in a clear table in the materials and methods. 4- The source or origin of aqua fix must be mentioned in materials and methods. 5- What is the dose of treatment with Aqua Fix? 6- What is the reference of dose of aqua fix which was depended by the authors? 7- Why did the author mention that some groups are immunostimulated? Stimulated with what??? With Aqua Fix?? Then, what is Aqua Fix?? Is it an immunostimulant agent??? 8- Are the authors sure about the weights of the fishes?? Rohita fishes of 6 months age, are of 12 – 15 grams??!!!!!!!!!!!!!!!!!!!!!! 	

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
