<b>Optional/General</b> comments	<ol style="list-style-type: none"> <li>1. To make things clear, the author should clarify the research question in the introduction.</li> <li>2. In figure 1 the author has proposed a model of space management. But I think this model should be proposed based on a more solid scientific basis.</li> <li>3. Part 2. Concept of space management The concept is presented long and lacks focus. The author should provide a general understanding of "space management in the market"</li> <li>4. The author should state why 5% of the survey participants are representative.</li> <li>5. This is a good study, which helps to increase understanding of the challenges of market accessibility and management in Bamenda.</li> </ol>
