

**Editor's Comment:**

I suggest the authors should improve on the following items prior to accepting this article for publication:

1. Some keywords duplicate the same as in the paper title. Other selections must be re-chosen.
2. Please unify the use of “%” and “per cent”.
3. Please use “and” instead of “&” throughout the entire text, including the references list.
4. Captions of all the tables should be on top of all the tables.
5. Format of the reference listing should conform to the requirements of the journal.
6. A thorough proof-check, spacing-check and most importantly English-check is highly recommended.
