

Editor's Comment:

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked on the **Draft Word**.

Also,

- The organisation of the manuscript to be checked.
- Results And Discussion
 - ✓ he researcher is expected to make comparison with the closely related articles, so as to validate the outcome of the research (result).
- Check grammer.
 - ✓ to have the text English proofread (mainly the application of articles).
- **References should be checked.**
 - ✓ to elaborate the bibliographic citation and references format according to the needs of AJESS.
