

### **Editor's Comment:**

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked on the **Draft Word**.

Also,

- The organisation of the manuscript to be checked.
- Check grammer.
  - ✓ In the text, do not use the first person "our".
  - ✓ in order to avoid punctuation or grammatical errors please have your paper read by a native English speaker.
- References should be checked.
  - ✓ All works cited in the text must be listed in the References and vice versa.
  - ✓ to elaborate the bibliographic citation and references format according to the needs of AJESS.
