

Editor's Comment:

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked on the Draft Word.

Also,

- The organisation of the manuscript to be checked.
- Check grammer.
- In the text, do not use the first person "we", "my" "our".
- References should be checked.
- All works cited in the text must be listed in the References and vice versa.
- to elaborate the bibliographic citation and references format according to the needs of AJESS.
