

Editor's Comment:

I am delighted to confirm my final decision for manuscript title: **Preliminary evaluation of *Borassus aethiopum* Mart fruit acclimated in Côte d'Ivoire and its utilization in food products development**

This manuscript can be published in the **Asian Journal of Food Research and Nutrition** no further revision as the follows:

Editor's Details:

Dr. Surapong Pinitglang
Assistant Professor, University of the Thai Chamber of Commerce, Thailand.
