

**Editor's Comment:**

My final decision is positive. I think that the last version of the paper can be published.

Also,

- The organisation of the manuscript to be checked.
- Have you done a plagiarism check?
- Check grammar.
- to have the text English proofread (mainly the application of articles).

In the text, do not use the first person "we".

In the text, do not use the second person "you".

- References should be checked.
- Cross check the reference and citation very carefully.
- to elaborate the bibliographic citation and references format according to the needs of CJUST.
