Manuscript Title: Isolation of Biosurfactant producing *Pediococcus pentosaceus* from Laboratory controlled (simulated) Fermentation of Indian Wheat-based Seera

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked on the Draft Word.

Also,

- The organisation of the manuscript to be checked.
 - ✓ Have you done a plagiarism check?
- Check grammar.
 - ✓ to have the text English proofread (mainly the application of articles).
In the text, do not use the first person "our".
- References should be checked.
 - ✓ to elaborate the bibliographic citation and references format according to the needs of CFAST.
