

**Editor's Comment:**

It's an interesting issue.

But, It is needed to highlight the practical advantage of this type of village. Some possible figures, efficiency of using these villages-productive organizations.

Spacing 1.5 lines. It is hard to read this paper's organizing pattern.

References in the alphabetical order of the author's name and, after the name the publishing year, not at the end.

It is a different approach of the management of today.
