

Editor's Comment:

I have read full paper entitled "Effect of Organic Fertilizers on Growth, Yield and quality of Cauliflower (*Brassica oleracea* var. *Botrytis*.)' Written by Ashok Yadav, Anita Kerketta, Samir E.Topno and Himanshu Department of Horticulture ; and Naini Agricultural Institute Sam Higginbottom University Agriculture Technology and Sciences, India. and i have also read reviewer suggestion and author response; **the paper is feasible to be published** at [International Journal of Environment and Climate Change](#).
