

**Editor's Comment:**

It is my pleasure to inform you that the following manuscript should be accepted for publication in JEAI, after some minor corrections the authors revise

1. Abstract: it should include the parts of purpose of the project, materials and methods, results, discussion and conclusion, and they should be written with one more sentence, respectively.
2. Conclusion: it must note the purpose or meaning of the study in future application, as well as the main findings.
