

**Editor's Comment:**

1. The Paper needs careful thorough revision.
  - 2 The paragraph of "ANTIOXIDANT EFFECT OF PHYLLANTHUS NIRURI" in red box (No correction is possible) should be rewritten and typed.
  - 3 What is the content in "Menurut Chakraborty et al (2014) [41]-----anum".
  - 4 The list of references should be rechecked.
  - 5 Authors should take care before sending a paper for the final print
- .Decision : The paper may be accepted after thorough scrutiny.
