<ol style="list-style-type: none">1. Practical implications and contributions should be included both in the abstract and in the conclusion. What are the problems and solutions to the percentage and ranking results? In other words, how to apply this study results for practical usage?2. Duplicated keywords (same as the paper title) must be re-chosen. Selections may be more than one word.3. Every equation listed in the text must be numbered.4. Exactly the same data are displayed in Table 2 and Figure 1, Table 3 and Figure 2, Table 4 and Figure 3. To save space and the valuable time of busy readers, choose one form (either table or figure) to show these data results.5. Use "and" instead of "&" throughout the entire text.6. Avoid "all capital letters" in listing the references.	<p>Thank you for your comments. I have carried out all corrections</p>
