EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<ul style="list-style-type: none">- There is no research methodology used in the Study. All assertions made in the paper are without any statistical backing.- The assertions on governance in India are not even borne out by any previous studies. These are just the views	<p>Taking into consideration the reviewers comments, the authors have reframed the research methodology with sufficient statistical backing.</p> <p>The assertions on governance are now strongly backed by previous studies. Kindly refer to text references as well as bibliography.</p>
