

**SDI EDITORIAL COMMENTS FORM**

| EDITORIAL COMMENT'S on revised paper (if any)   | Authors' response to editor's comments   |
|---|--|
| Authors should highlight statistical observed differences on tables using appropriate superscripts in the mean values | <b>The editor's body can carry on with the publication of the revised paper because everything in the work is proper calculated and analysis. Also, the statistical observation for the now is alright in the Work, therefore, the work should be published. Thank you very much your anticipated cooperation.</b> |
