<b>EDITORIAL COMMENT'S on revised paper (if any)</b>	<b>Authors' response to editor's comments</b>
<p>The title of the article and content is not matching. The unit of nutrient removal has not been mentioned in the table. The values are nutrient concentration only. Hence, the title and content should be changed accordingly.</p> <p>The objective of the research paper is not clear.</p>	<p><b>Yes I agree the comments of editorial section and the correction are made as accordingly thank you</b></p>
