

SDI EDITORIAL COMMENTS FORM

EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>1. In Abstract, authors should mention percent decrease or increase in parameters before and after treatment. 'Significant change' as they have mentioned is not clear.</p> <p>2. In Introduction, some paragraphs are just one sentence. They need to merge and make appropriate and meaningful paragraphs.</p>	<p>Correction made</p> <p>Revised accordingly</p>
