|-------------------------------------|--|---|
| <b>Compulsory</b> REVISION comments | The author is doing the work for Multiparametric rational solutions of order 3 to the KPI equation. However, there are no enough results or proved that this should valid for the order N of the KPI equation.<br>More works for generalization are needed to be the solutions of order N of the KPI equation. |   |
| <b>Minor</b> REVISION comments      | The title should be <b>Multiparametric rational solutions of order 3 to the KPI equation</b>   |   |
| <b>Optional/General</b> comments    | The Author works seen to be similar to work of P. Gaillard except for the use of different parameters.   |   |
