PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	The manuscript is technically sound but i requires a lot of English language copy editing. It is better if u don't use abbreviation in the abstract, Some of the comments are written in the manuscript and correct it as needed. More than half of your references are too old . try to replace with articles published within the last five years.	
Optional/General comments		

PART 2:
