PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The manuscript is well written. I would suggest that the result findings may be supplemented with some empirical evidences already available on the same line of work, supporting or in contrast to the study outcomes. It is also mentioned in the authors guidelines for manuscript preparation for this Journal.	
Minor REVISION comments	Results are well written but the Discussion part seems missing. A small paragraph as discussion will complete the results and discussion part.	
Optional/General comments	The area of the study is good and very much needed to be studied, when we explore alternatives for increasing farmer's income. Grammar part is okay and the manuscript is well written. Some new/recent references may be quoted in the text.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
