PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Intext citations are not there. This is very important and whatever references are given at the end are not cited in text.</p> <p>Review of literature is not there.</p> <p>Objectives are not specified properly. You may add a small sub heading after the introduction and point wise specify the objectives.</p> <p>Correct the spelling errors. Eg. Presented is wrongly written as predented in results and discussion.</p> <p>Discussion and interpretation are not done elaborately. You may think of explaining it more vividly.</p>	
Minor REVISION comments	Please add some more references relevant to the text and must be cited in the text as well.	
Optional/General comments	Overall good attempt but can be better.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
