Compulsory REVISION comments		
Minor REVISION comments	<ol style="list-style-type: none">1. As you stated in the paper" The research's informants are farmers, official rural government, leaders of local community development programs, and local youth people", there are four kind of professions here. But from Table1, Research's informants only have three kind of professions(farmer, merchant and Private sector's employee).2. Does the Private sector's employee have enough power to allow or help these economic activities in these areas?3. Lack of infrastructure is difficult to activate rural natural resources and perform economic activities.	
Optional/General comments
