Compulsory REVISION comments		
Minor REVISION comments	<ul style="list-style-type: none"> i. Please, don't split the abstract into many sections. ii. Please list some of the profile characteristics gotten from the literature and the reference the literature(s). iii. Vast majority" is used when you want to emphasize that something is true about almost all of a group of people. 38.9% cannot be referred to as the vast majority. I guess this will be more appropriate: and about 38.9% of respondents had medium level of achievement motivation and decision-making ability. Please, don't split the abstract into many sections. iv. Please use present simple sentence: Data related to interpersonal sources of communication of the respondents is presented in table..... v. Please, check other minor typographical errors as pointed out in the reviewed manuscript.
