PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	It should not be preferred to use abbreviation (KVK) in the title of the article. It is not very common to give literature in the abstract section. It should be reviewed in terms of the journal's rules. ICAR, FLD, OFT etc. Explanations of abbreviations should be given. In the introduction, previous studies on the subject should be mentioned, and the importance and purpose of the study should be clearly stated. If data on Innovative Extension activities costs are available, they should also be included in the study. The conclusion section is insufficient. It should be rewritten by compiling the results of the study. References section should be reviewed.	
Minor REVISION comments		
Optional/General comments
