General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajaees.com/index.php/AJAEES/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The research carried out is very relevant. Carried out at a high level and require significant attention of the scientific world! However, there are a number of notes! 1. There is no research goal in the manuscript. 2. It is not clear in what period of time the research was carried out (what year / years)? 3. Supplement the conclusion with the results obtained, and not with "dry" words!	
Minor REVISION comments	Complete the bibliography. For the original article, it is not enough.	
Optional/General comments	The manuscript can be published after minor revision!	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
