

Review Form 1.6

Journal Name:	Asian Journal of Agricultural Extension, Economics & Sociology
Manuscript Number:	Ms_AJAEES_88432
Title of the Manuscript:	Constraints for Adoption of CSA Technologies and the Suggested Measures
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajaees.com/index.php/AJAEES/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Introduction is more like review chapter. It can presented in a more meaning way by explaining the importance of Climate Smart Technologies and its adoption. List of climate smart agricultural technologies should listed. How many have adopted CSA technologies and how many have not adopted.</p> <p>Methodology is confusing.</p> <p>Clearly explain how you have selected 161 sample by flow chart also.</p>	
Minor REVISION comments	<p>The results of suggestions of farmers for greater adoption of CSA technologies were not supported by related research studies</p>	
Optional/General comments	<p>Add some more related result tables for full length paper otherwise it can be published as research note</p>	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<p>(If yes, Kindly please write down the ethical issues here in details)</p>
