

Review Form 1.6

Journal Name:	Asian Journal of Agricultural and Horticultural Research
Manuscript Number:	Ms_AJHR_77709
Title of the Manuscript:	GENETIC VARIABILITY, HERITABILITY AND CORRELATION STUDIES IN FIFTY SORGHUM (<i>Sorghum bicolor</i> L. Moench) ACCESSIONS COLLECTED FROM SOUTHERN NIGERIA.
Type of the Article	Research article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Selection of topic for the study of genetic variability in sorghum accessions along with trait association studies is good enough in providing basic genetic information for the breeders. 1. Kindly provide information on importance of evaluation of new sorghum accessions besides the existence of present cultivated genotypes. 2. I recommend this research article for publication in your journal.	
Minor REVISION comments	1. There are few typographical errors in discussion part and few repetitive statements. 2. Explanation of traits for biometric analysis should could have been presented in novel way. 3. Kindly provide recent references not less than 5 years.	
Optional/General comments	Author should include <i>perse</i> performance of sorghum accessions as a table. If it is possible provide DUS information of germplasm.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
