PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1. In the presented paper, this article cannot be considered a scientific publication. A scientific publication meets several basic criteria: contains a very special structure: Introduction, justification, objective, material and methods, results, discussion and conclusion. 2. The list of references is correct, but the bibliographic support is not evidenced in the body of the document. 3. Paper contains the results of its own research, but it is necessary to give your article the structure of an Original Research Article. 4. Restructure keywords. 5. I suggest reviewing others papers published in AJARR, take them as example.
