### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajcrs.com/index.php/AJCRS/editorial-policy> )

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"> <li>1. The title needs modification to make it more readable.</li> <li>2. There are no operative findings in the case presentation of the case report. Please highlight the findings at operation. This will also explain the photographs in Figure 3 and Figure 4.</li> <li>3. The first statement in the case presentation needs to be rewritten and I quote: "He is a 38 year old patient followed for chronic dermatitis under cardiotherapy were admitted to the emergency room for occlusive syndrome with a symptomatology evolving five days before days before consultation with clinical examination:....."</li> <li>4. Baseline investigations need to be included. Results of CBC (particularly Hb and WCC), electrolytes and renal function.</li> <li>5. Which type of anastomosis was carried out at operation? Or was this an ileostomy with a mucus fistula?</li> <li>6. Apart from perforation are there any other risks from endoscopic derotation?</li> </ol>	
<b>Minor</b> REVISION comments	As above	
<b>Optional/General</b> comments	The authors need to address the above corrections.	

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
