PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	N/A	
Minor REVISION comments	N/A	
Optional/General comments	This is well organised, and robust case report boasted with strong discussion. The Authors have good academic writing skills to present the case and discussion. The article title pretty much represents the contents. The introduction section prepared the reader to the upcoming events. The navigation through the different sections was smooth and easy to understand yet focused and to the point. The conclusion is brief, simple, and reasonable.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
