PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments Abstracts and Introduction Reference and Citations	Identified problems should be linked to the purpose of the research. These two should be aligned All information extracted from literature should be cited and not presented as personal ideas.	
Minor REVISION comments Few grammatical errors Separation of headings and their notes. Tables and contents	Examples – omission of 'to" - Capitalising first letter in articles not part of names, titles or places Both headings and notes should be on the same page instead of headings being on a page and the notes in another page. A table should be on a page not a part on a page and just a row on the next.	
Optional/General comments
