PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	The paper demonstrates an adequate understanding of the relevant literature in the respective field but the author should cite the sources of the appropriate range of literature. As per my suggestion author should start with research questions followed by demographic variables and also looks at some spelling mistakes. The analysis and interpretation part of the paper is very sound. The author has shown a good amount of knowledge of research methodology.	
Optional/General comments		

PART 2:
