PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	This article is a novelty for specialists in the field on the topic and how to investigate student satisfaction with how to work online.	
<u>Minor</u> REVISION comments	I read and analyzed the research hypothesis. It would be necessary to reformulate it in such a way as to reflect the theme and to aim at the result it aims at in research. Example: The present research started from the hypothesis that etc. The conclusions should also be reformulated and rearranged on the page to show an enumeration and to delimit each other. The summary aspect at the end does not help finalize the conclusions.	
<u>Optional/General</u> comments	I recommend the article for publication, after a minor revision.
